Special notes:

**To register for the course Zoom, you will need to select the respective time zone session by clicking it below:**

[Asia and Oceania Session](#)

[Africa and Latin America Session](#)

Please use the same email address as you used to register for the course. Your Zoom link and invite will not come immediately, it will be available ~two days after you register. Please check for spam after these two days to be sure you receive your zoom link.

You only need to register and attend ONE of the sessions, that which corresponds to your own time zone.
